## About Me

### UX/UI Designer

As a UX/UI Designer, my passion lies in creating visually stunning and user-friendly digital experiences. I am dedicated to designing solutions that solve problems and exceed user expectations. With a strong understanding of human-centered design principles and a keen eye for detail, I strive to create interfaces that are not only aesthetically pleasing but also intuitive and easy to use.

### Education

**Master of Computer Application**  
Sri indu college of Engineering and Technology (JNTU)

**Bachelor of Computer Science**  
Sphoorthy Degree College (OU) in Electronics and Computers

**Web and Graphic design**  
Arena Animation  
dilshuknagar -2012
